Re: *U.S.A. v. Fernandez et al.*, 12-cr-445-CM-10

Dear Judge McMahon:

I write with the consent of the government and Probation to request an adjournment of our upcoming Violation of Supervised Release (VOSR) hearing for defendant Lamont Robinson, which is currently scheduled for January 25, 2022, at 3:00 p.m.

Procedural History

We first appeared in this matter in front of Your Honor on September 23, 2019. A VOSR hearing in this case was originally scheduled for November 19, 2019. With the consent of the Government and the Probation Department, we previously requested twelve adjournments of that hearing, which the Court granted. The hearing was most recently adjourned to January 25, 2021, at 3:00 p.m.

Request for Adjournment

The requested adjournment is warranted because Mr. Robinson currently has an open criminal case in Bronx County (#01086-2019), for which the next scheduled appearance has been adjourned to February 8, 2022. The alleged criminal conduct in the Bronx forms the bases for the alleged violations of the conditions of Mr. Robinson's supervised release. Accordingly, any developments in that case may inform the parties' next steps in this matter.

In light of Mr. Robinson's ongoing state case, I request—with the pending consent of the government and the Probation Department—a further adjournment of the conference scheduled in this case to a date after February 14, 2022.
